

WORLD BOWLS CHAMPION OF CHAMPIONS

23 NOVEMBER TO 3 DECEMBER 2010

SPECTATOR PACKAGE PROPOSAL

This 10-day event is being held at the Norfolk Island Bowling Clubhouse centrally situated in the middle of the Burnt Pine shopping area. Why not propose that your clients combine watching and cheering on their favourite champion and the wonders of the World of Norfolk for the perfect holiday?

Norfolk Island is pleased to host the 2010 World Bowls: Champion of Champions event from 23 November to 3 December 2010. The event is being organised by the Norfolk Island Bowling Club.

In 2003, the World Bowls launched a very successful and well received World Champion of Champions singles event. The event is now held annually and is open to current National Singles Champions of each of its Member National Authorities. In April 2008, World Bowls announced that NI would host the 8th World Champions of Champions event.

Based in Scotland, World Bowls is the International Federation for the sport of Bowls. It has 52 National Authority members in 46 Member Nations. All grassroots competitive bowlers entering their National Singles have the opportunity to become a World Champion, with eligibility being through achievement, not selection. This event, which includes sections for both men and women, pits every nation's individual champion up against each other to find the overall World Champions.
